

INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF ADVANCED SYS-TEK PRIVATE LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of Advanced Sys-Tek Private Limited ("the Company"), its subsidiary company (the Company and its subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31<sup>st</sup> March, 2022, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date and notes to the Consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31<sup>st</sup> March, 2022, the consolidated profit and consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of

Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statements.

#### **Information other than the Consolidated Financial Statement and Auditor's Report thereon**

The Holding Company's Board of Directors is responsible for other information. The other information comprises the information included Board's Report including Annexures to that Board's Report but does not include the Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and

for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error;

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so;

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

#### **Auditor's Responsibilities for the Audit of Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve

collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation;
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditor.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the

scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements;

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit;

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards;

### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements;
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept by the Group so far as it appears from our examination of those books;
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements;
- (d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (e) On the basis of the written representations received from the directors of the Company as on 31<sup>st</sup> March, 2022 taken on record by the Board of Directors of the company and the report of the statutory auditors of its subsidiary company, incorporated in India, none of the directors of the Group companies incorporated in

India is disqualified as on 31<sup>st</sup> March, 2022 from being appointed as a director in terms of Section 164(2) of the Act;

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure A";
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

The company being a private limited company, the provisions of section 197 read with schedule V to the Act are not applicable to the company and accordingly reporting under this clause is not required.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Consolidated Financial Statements disclosed the impact of pending litigations on its financial position of the Group– Refer Note 36(A) to the Consolidated Financial Statements;
  - ii. The Group has made provision, as required under the applicable law and accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
  - iii. There have been no such instances requiring transfer of any amounts to the Investor Education and Protection Fund by the Group.
  - iv.
    - i. The Holding Company Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company, its subsidiary to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company, its subsidiary ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- ii. The Holding Company Management has represented, that, to the best of it's knowledge and belief, no funds have been received by the Holding Company, its subsidiary from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company, its subsidiary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- iii. Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.
- v. There is no dividend declared or paid during the year by the Company and hence provisions of section 123 of the companies Act, 2013 are not applicable.

2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports of its subsidiary included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

## ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **ADVANCED SYSTEK PRIVATE LIMITED** ("the Company") and its subsidiary as on 31<sup>st</sup> March, 2022 in conjunction with our audit of the Consolidated Financial Statements of the Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Company and its subsidiary company, which are companies incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of internal financial controls with reference to financial statements of the Company that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether internal financial controls with reference to financial statements of the Company were established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the internal financial controls with reference to financial statements of the company and their operating effectiveness. Our audit of internal financial controls over financial reporting included

obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company, its subsidiary company has, in all material respects, an internal financial controls with reference to financial statements of the Company and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Delta Effect of -0.1% Change in Rate of Employee Turnover	2.26	2.28

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Based on the actuarial valuation obtained in this respect, the following table sets out the status of the gratuity plan and the amounts recognised in the Company's financial statements as at balance sheet date:

**Level 1:** Level 1 hierarchy includes financial instruments measured using quoted prices. This includes mutual funds that have quoted price. The mutual funds are valued using the closing NAV.

**Level 2:** The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

**Level 3:** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

There are no transfers between levels 1 and 2 during the year.

The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels at the end of the reporting period.

ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments.
- the fair value of the remaining financial instruments is determined using discounted analysis.

All of the resulting fair value estimates are included in level 1 or 2 except for unlisted equity securities where the fair values have been determined based on present values and the discount rates used were adjusted for counter party or own credit risk.

The carrying amounts of trade receivables, employee advances, cash and cash equivalents and other short term receivables, trade payables, borrowings, capital creditors and other current financial liabilities are considered to be the same as their fair values, due to their short-term nature.

**43 FINANCIAL RISK MANAGEMENT**

The group's principal financial liabilities, other than derivatives, comprise trade payables. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company's principal financial assets include investments in marketable securities, loans, trade and other receivables and cash and short-term deposits that arise directly from its operations.

The group's has exposure to credit risk, liquidity risk and market risk arising from financial instruments.

The group's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks. Risk management policies and systems are reviewed periodically to reflect changes in market conditions and the Company's activities.

The group's monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company.

**(A) Credit risk**

Credit risk is the risk of financial loss to the group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments.

**(i) Trade receivables**

The group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The group has used expected credit loss (ECL) model for assessing the impairment loss. For the purpose, the Company uses a provision matrix to compute the expected credit loss amount. The provision matrix takes into account external and internal risk factors and historical data to credit losses from various customers.

**(ii) Reconciliation of loss allowance provision - Trade receivables**

Loss allowance on 1st April, 2020	296.98
Changes in loss allowance	(116.87)
Loss allowance on 31st March, 2021	180.12
Changes in loss allowance	216.92
Loss allowance on 31st March, 2022	397.04

(ii) Other than trade and other receivables, the group's has no other financial assets that are past due but not impaired.

**(B) Liquidity risk**

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the group's reputation.

**Maturities of financial liabilities**

The tables herewith analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

(C) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

Foreign currency risk

The risk is measured through a forecast of foreign currency for the Company's operations.

(D) CAPITAL MANAGEMENT

For the purpose of Group's Capital Management, equity includes equity share capital and all other equity reserves attributable to the equity holders of the group. The group manages its capital to optimise returns to the share holders and make adjustments to it in light of changes in economic conditions or its business requirements. The Company's objective is to safe guard continuity, maintain a strong credit rating and healthy capital ratios in order to support its business and provide adequate return to share holders through continuing growth and maximise the share holders value.

**46 Disclosure as required by Ind AS 101 first time adoption of Indian Accounting Standards (Ind AS)**

**Transition to Ind AS**

These are the Group's first Financial Statements prepared in accordance with Ind AS and the company has voluntarily adopted the financial statement under Ind AS.

The accounting standards notified u/s 133 of the Companies Act, 2013 and the Accounting policies set out in note 2 have been applied in preparing the financial statements for the year ended 31st March, 2022, the comparative information presented in these financial statements for the year ended 31st March, 2021 and in the preparation of an opening Ind AS balance sheet at 1st April, 2020 (The Company's date of transition). In preparing its opening Ind AS balance sheet, the Company has adjusted the amounts reported previously in financial statements prepared in accordance with the accounting standards notified under Companies (Accounting Standards) Rules, 2014 (as amended) and other relevant provisions of the Act (previous GAAP or Indian GAAP).

An explanation of how the transition from previous GAAP to Ind AS has affected the Group's financial position, financial performance and cash flows is set out in the following tables and notes.

**A. Exemptions and exceptions availed**

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied by the Group's in the transition from previous GAAP to Ind AS.

**A.1.1 Ind AS optional exemptions**

Ind AS 101 permits a first time adopter to elect to continue with the carrying value for all of its Property, Plant and Equipment (PPE) and Intangible Asset as recognized in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for decommissioning liabilities.

Accordingly, the Group's as elected to measure all of its PPE and Intangible Asset at their previous GAAP carrying value.

**A.1.2 Investment in subsidiary**

If a first time adopter measures investments in subsidiary at cost in accordance with Ind AS 27, Ind AS 101 allows the entity to measure such investments at one of the following amounts in its separate opening Ind AS Balance Sheet (a) Cost determined in accordance with Ind AS 27: of (b) Deemed cost. The deemed cost of such an investment shall be its: (i) fair value at the entity's date of transition to Ind ASs in its separate financial statements: or (ii) previous GAAP carrying amount at that date. The above options can be selected each investment wise. Accordingly the company has elected to measure investment in its subsidiary at their previous GAAP carrying value.

**A.2 Ind AS Mandatory Exceptions**

**A.2.1 Estimates**

An entity's estimates in accordance with Ind ASs at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error. Ind AS estimates as at 1st April, 2020 are consistent with the estimates as at the same date made in conformity with previous GAAP. The Company made estimates for following items in accordance with Ind AS at the date of transition as these were not required under previous GAAP:

- Investment in mutual funds carried at Fair Value through Profit and Loss (FVTPL).

**A.2.2 De-recognition of financial assets and liabilities**

Ind AS 101 requires a first time adopter to apply the de-recognition provisions of Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS. However, Ind AS 101 allows a first time adopter to apply the de-recognition requirements in Ind AS 109 retrospectively from a date of the entity's choosing, provided that the information needed to apply Ind AS 109 to financial assets and financial liabilities derecognized as a result of past transactions was obtained at the time of initially accounting for those transactions.

The Group's has elected to apply the de-recognition provisions of Ind AS 109 prospectively from the date of transition to Ind AS.

**A.2.3 Classification and measurement of financial assets**

Ind AS 101 requires an entity to assess classification and measurement of financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

C. Notes to First time adoption

1 Fair valuation of investments

Under the previous GAAP, investments in mutual funds were classified as long-term investments or current investments based on the intended holding period and realisability. Long term investments were carried at cost. Under Ind AS, these investments are required to be measured at fair value. The resulting fair value changes of these investments have been recognized in retained earnings as at the date of transition and subsequently in the profit and loss for the year ended 31st March, 2021. This increases in profit by Rs. 24.11 lakhs as at 31st March, 2021 (1st April, 2020 - Rs. 2.31 lakhs).

2 Loss allowance

On transition to Ind AS, the Group's has recognised impairment loss on trade receivables based on the expected credit loss model as required by Ind AS 109. Consequently, trade receivables have been reduced with a corresponding decrease in retained earnings on the date of transition and there has been an incremental provision for the year ended 31 March 2021 resulting in decreased in carrying amount by Rs.9.07 lakhs as at 31 March 2021 and by Rs. 2.66 lakhs as at 1 April 2020.

3 Retained Earnings

Retained earnings as at 1st April, 2020 has been adjusted consequent to the above Ind AS adjustments.

4 Deferred tax

Indian GAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind-AS 12 requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The application of Ind-AS 12 approach has resulted in recognition of deferred tax on new temporary differences which was not required under Indian GAAP.

5 Actuarial Gain/ Loss

Under the previous GAAP, actuarial gains and losses were recognised in Statement of Profit and Loss. Under Ind AS, the actuarial gains and losses form part of remeasurement of the net defined benefit of liability / asset which is recognised in other Comprehensive Income. Consequently, the tax effect of the same has also been recognised in Other Comprehensive Income under Ind AS instead of Profit and Loss.

6 Other Comprehensive Income

Under Ind AS, all items of income and expense recognized in a period should be included in Statement of Profit and Loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognized in Statement of Profit and Loss but are shown in the Statement of Profit and Loss as "Other Comprehensive Income", includes remeasurement of Employee Benefit obligation and fair valuation of Equity Instruments through OCI and Income tax relating to these items. The concept did not exist under the previous GAAP.
