**FINANCIAL STATEMENTS**

**F.Y. 2024-2025**

**INDEPENDENT AUDITOR'S REPORT**

To the members of AST Environment Solutions Private Limited

**Report on the audit of the Financial Statements**

**Opinion**

We have audited the accompanying financial statements of **AST Environment Solutions Private Limited** ("the Company"), which comprise the balance sheet as at 31<sup>st</sup> March 2025, the statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for year then ended and notes to the financial statements, including a summary of material accounting policies and other explanatory information (herein after referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March 2025, its loss for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Management and the Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the, Board's Report including annexure to Board's Report but does not include the financial statements and our auditor's report thereon;

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Company's Management and the Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with Ind AS and other the accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error;

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so;

That Board of Directors are also responsible for overseeing the company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls;

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation;

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure A, A statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) The Balance Sheet and Statement of Profit and Loss dealt with by this Report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act;
  - (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2025 from being appointed as a director in terms of Section 164(2) of the Act;
  - (f) In our opinion, the Company is exempted vide notification no G.S.R. 583 (E) dated 13th June, 2017 from the reporting requirement related to adequacy and operating effectiveness of internal financial controls; and
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

The company being a private limited company, the provisions of section 197 read with schedule V to the Act are not applicable to the company and accordingly reporting under this clause is not required.

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has no pending litigations therefore the impact thereof on its financial position is not required to be disclosed.
- ii. The Company is not required to make any provision, for material foreseeable losses, as there are no long-term contracts including derivative contracts executed by the company;
- iii. There have been no such instances requiring transfer of any amounts to the Investor Education and Protection Fund by the Company.
- iv.
  - i. The Management has represented that, to the best of it's knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - ii. The Management has represented, that, to the best of it's knowledge and belief, No funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other

persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- iii. Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material mis-statement.
- iv. There is no dividend declared or paid during the year by the Company and hence provisions of section 123 of the companies Act, 2013 are not applicable.
- v. Based on our examination, which includes test checks, the company has used accounting software for maintaining its books of accounts for the financial year ended 31st March, 2025 which has a feature of recording audit trails (edit log) facility and the same has been operated throughout the year for all the relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instances of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the company as per the statutory requirements for record retention.

## Annexure A to the Independent Auditors' Report

The Annexure referred to in our Independent Auditors' Report to the members of the Company on the financial statements as on 31st March 2025.

On the basis of such checks as considered appropriate and in terms of the information and explanations given to us, we state as under:

1 (a)	The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment;
(b)	The Company has a regular programme of physical verification of its Property, Plant and Equipment by which Property, Plant and Equipment are verified in a phased manner over a period of three years. In accordance with this programme, certain Property, Plant and Equipment were verified during the year and no material discrepancies were noticed on such verification for these assets. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets;
(c)	On the basis of our examination of the record of the company, the company does not hold title deeds of all the immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) hence this clause is not applicable.
(d)	The company has not revalued its Property, Plant and Equipment and intangible assets during the year;
(e)	The Company does not have any proceedings initiated or pending for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder. Hence the requirements under paragraph 3(i)(e) of the Companies (Auditor's Report) Order, 2020 ("the Order") are not applicable to the Company.
2 (a)	The inventory held by the company have been physically verified the management. In our opinion, having regard to the nature and location of stocks, the frequency of the physical verification is reasonable and no discrepancies of 10% or more in aggregate for each class of inventory were noticed on physical verification;
(b)	According to the information and explanations given to us and records examined by us, the Company has not been sanctioned any working capital limits. Accordingly, reporting under clause 3 (ii)(b) of the Order is not applicable to the Company;
3	According to the information and explanations given to us, the Company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnership or other parties. Accordingly, reporting under clause 3 (iii)(a), (b),(c), (d), (e) & (f) are not applicable to the company
4	The Company has complied with the provisions of sections 185 and 186 of the Companies Act 2013 in respect of loans granted, investment made, and guarantee and securities provided, as applicable;

5	The Company has not accepted any deposits or amounts which are deemed to be deposits within the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under, therefore, the provisions of paragraph 3(v) of the Order are not applicable to the Company;
6	In our opinion and according to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records by the Company under section 148(1) of the Act;
7	In respect of statutory dues:
(a)	<p>According our opinion, the Company is regular in depositing with appropriate authorities undisputed statutory dues including Goods and Service tax, Provident Fund, Employees' State Insurance, Income-Tax, Sales-Tax, Service Tax, duty of Customs, duty of Excise, Value Added Tax, Cess and any other material statutory dues applicable to it;</p> <p>According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues, were outstanding, as on 31st March 2025, for a period of more than six months from the date they became payable;</p>
(b)	There are no dues of income tax, sales tax, wealth-tax, service tax, duty of customs, duty of excise, value added tax or cess that has not been deposited on account of disputes;
8	The Company has no transactions which were not recorded in the books of account, have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961;
9 (a)	The Company has not defaulted in repayment loans or other borrowings or in the payment of interest thereon to any lender;
(b)	The Company is not declared willful defaulter by any bank or financial institution or other lender;
(c)	The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable;
(d)	We report that no funds raised on short-term basis have been used for long-term purposes by the Company;
(e)	In our opinion and according to the information and explanation given to us, the Company has no subsidiaries, associates or joint venture.

10 (a)	The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year hence reporting under this clause is not applicable;
(b)	The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Therefore, the provisions of paragraph 3(x)(b) of the Order are not applicable;
11 (a)	No fraud by the Company and no material fraud on the company has been noticed or reported during the year;
(b)	No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report;
(c)	The company is not required to maintain whistle blower policy. Hence reporting under clause 3(xi)(c) is not applicable to the company;
12	The Company is not a nidhi company and hence the reporting under clause 3(xii) of the order is not applicable to the Company;
13	The Company is in compliance with Section 177 and 188 of the Companies Act where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the Financial Statements as required by the applicable accounting standards;
14	The company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Companies Act 2013. Hence the reporting under clause 3(xiv) is not applicable;
15	The Company has not entered into any non-cash transactions with its directors or persons connected with him. Therefore, the provisions of paragraph 3(xv) of the Order are not applicable;
16	The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and therefore, the provisions of paragraph 3(xvi) (a), (b) and (c) of the Order are not applicable;
17	Based on our verification of the documents provided to us and according to the information and explanations given by the Management, the Company has incurred cash losses of Rs. 40.80 lakhs in the current year and of Rs. 58.49 lakhs in the immediately preceding financial year.
18	There has been no resignation of the statutory auditors during the year and accordingly the reporting under clause 3(xviii) is not applicable;

19	<p>On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date;</p> <p>We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due:</p>
20	<p>In our opinion and according to the information and explanations provided by the management, the company do not fall under the prescribed classes of the Companies mentioned under the section 135(1) of the Companies Act, 2013;</p>
21	<p>In our opinion and according to the information and explanations provide by the management, the company do not have any subsidiary, associates or joint venture and the company is not required to prepare Consolidated Financial Statements as per the section 129 of the Companies Act. Accordingly reporting under the clause 3(xxi) is not applicable to the Company.</p>

## **AST ENVIRONMENT SOLUTIONS PRIVATE LIMITED**

### **NOTES FORMING PART OF THE FINANCIAL STATEMENTS**

#### **NOTE: 1**

##### **CORPORATE INFORMATION**

AST ENVIRONMENT SOLUTIONS PRIVATE LIMITED ('AESPL', 'the Company') is into manufacturing and trading of Chemicals Products and its Solutions having applications in Safety, Sustainability and Environment Protection.

#### **NOTE: 2**

##### **BASIS OF PREPARATION**

###### **i. Compliance with Ind AS**

The Financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Act to be read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the relevant amendment rules issued thereafter.

###### **ii. Historical cost convention**

The financial statements have been prepared on a historical cost basis, except the following:

- Certain financial assets and liabilities that are measured at fair value;
- Defined benefit plans – plan assets measured at fair value.

###### **iii. Functional and presentation currency**

These financial statements are presented in Indian Rupees, which is the Company's functional currency, and all values are rounded to the nearest lakhs, except otherwise indicated.

###### **iv. Composition of Financial Statements**

The financial statements comprise:

- Balance Sheet
- Statement of Profit and Loss
- Statement of Cash Flow
- Statement of Changes in Equity
- Notes to Financial Statements

###### **v. Key Accounting Judgments, Estimates and Assumptions:**

In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed

on an ongoing basis. Any change in these estimates and assumptions will generally be reflected in the financial statements in current period or prospectively, unless they are required to be treated retrospectively under relevant accounting standards.

## **2.1 MATERIAL ACCOUNTING POLICIES**

### **A. Current versus non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

**An asset is treated as current when it is:**

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

The Company classifies all other assets as non-current.

**A liability is current when:**

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Based on the nature of products and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the Company has identified twelve months as its operating cycle for the purpose of current / non current classification of assets and liabilities.

### **B. Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity

**Financial Assets:**

**Initial recognition, classification and measurement**

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

**Debt instruments at amortized cost**

A 'debt instrument' is measured at its amortized cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest Rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in other income in the statement of profit or loss. The losses arising from impairment are recognized in the statement of profit or loss.

#### **Debt instrument at FVTOCI**

A 'debt instrument' is classified at FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial Assets, and
- b) The asset's contractual cash flows represent solely payments of principal and interest (SPPI) on the principal amount outstanding.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to Profit and Loss. Interest earned while holding FVTOCI debt instrument is reported as interest income using the EIR method.

#### **Debt instrument at FVTPL**

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as FVTPL.

In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The company has designated certain debt instrument as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

#### **Equity investments**

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. If the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to statement of profit and loss, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

### **Derecognition**

A financial asset (or, where applicable, a part of a financial asset or part of a company of similar financial assets) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either

(a) the company has transferred substantially all the risks and rewards of the asset, or

(b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

### **Financial Liabilities:**

#### **Initial recognition and Measurement**

The Company's financial liabilities include trade and other payables, loans and borrowings. All financial liabilities are recognized initially at fair value and in the case of loans, borrowings and payables recognized net of directly attributable transaction costs.

#### **Subsequent measurement**

The measurement of financial liabilities depends on their classification, as described below:

#### **Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Gains or losses on liabilities held for trading are recognized in the statement of profit and loss.

#### **Loans and borrowings**

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

## **Derecognition**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

## **Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

## **C. Property, Plant and Equipment (PPE)**

All items of PPE are stated at cost, which includes capitalized borrowing costs, less accumulated depreciation, and impairment loss, if any. Cost includes purchase price, including non-refundable duties and taxes, expenditure that is directly attributable to bring the assets to the location and condition necessary for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located, if any.

### **Subsequent Expenditure:**

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

### **De-Recognition:**

An item of property, plant and equipment is de-recognised upon disposal or when no future economic benefits are expected to arise from its use. Any gain or loss arising from its de-recognition is measured as the difference between the net disposal proceeds and the carrying amount of the asset and is recognised in Statement of Profit and Loss when the asset is de-recognised;

### **Depreciation methods, estimated useful lives and residual value:**

Depreciation is recognised so as to write off the cost of the assets (other than freehold land) less their residual values over their useful lives, using the Straight Line Method on the basis of useful lives specified in part C of Schedule II to the Companies Act, 2013. The Estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in the estimated accounted for on a prospective basis.

### **Capital Work-in-Progress:**

Projects under construction wherein assets are not ready for use in the manner as intended by the management are shown as Capital Work-In-Progress.

**D. Intangible Assets:**

**Recognition and Measurement:**

**i. Recognition and measurement**

Intangible Assets are stated at cost of acquisition less accumulated amortization and accumulated impairment, if any. Amortization is done over their estimated useful life on straight line basis from the date that they are available for intended use, subjected to impairment test.

**Subsequent Expenditure:**

**Other intangible assets:**

Subsequent expenditures are capitalised only when they increase the future economic benefits embodied in the specific asset to which they relate. All other expenditures, including expenditures on internally generated goodwill and brands, is recognised in the statement of profit and loss as incurred.

**Amortisation:**

Amortisation is recognised in the statement of profit and loss on a straight-line basis over the estimated useful lives of intangible assets or on any other basis that reflects the pattern in which the asset's future economic benefits are expected to be consumed by the entity. The capitalised costs are amortised over the estimated useful life i.e. 5 years.

**De- recognition of intangible assets:**

Intangible assets are de-recognised either on their disposal or where no future economic benefits are expected from their use. Losses arising on such de-recognition are recorded in the statement of profit and loss, and are measured as the difference between the net disposal proceeds, if any, and the carrying amount of respective intangible assets as on the date of de-recognition.

**E. Inventories:**

Inventories are measured at the lower of Cost and Net Realizable Value. The cost of inventories is based on the first-in first-out formula, and includes expenditure incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their present location and condition. In the case of manufactured inventories and work in progress, costs include an appropriate share of fixed production overheads based on normal operating capacity.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses. The Net realisable value of work in progress is determined with reference to the selling prices of related finished products.

**F. Cash and Cash Equivalents:**

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and highly liquid investments with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

## Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from the operating, investing and financing activities of the Company are segregated.

### A. Taxation

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in India. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred income tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

### G. Provisions and Contingent liabilities and contingent assets :

#### a) Provisions:

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

**b) Contingent Liabilities and Contingent assets:**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

A contingent asset is not recognized unless it becomes virtually certain that an inflow of economic benefits will arise. When an inflow of economic benefits is probable, contingent assets are disclosed in the financial statements.

Contingent liabilities and contingent assets are reviewed at each balance sheet date.

**H. Revenue Recognition:**

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company assesses promises in the contract that are separate performance obligations to which a portion of transaction price is allocated.

Revenue from the sale of goods is recognized at the point in time when control of the asset is transferred to the customer, generally on the delivery of the goods.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold, and services rendered is net of variable consideration on account of various discounts, schemes, rebates offered by the Company as part of the contract.

**I. Earnings per Share:**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they were entitled to participate in dividends relative to a fully paid equity share during the reporting period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

**2.2 Recent Pronouncements**

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. April 1, 2024. The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any significant impact in its financial statements.

(i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognized and measured at fair value. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

**Level 1:** Level 1 hierarchy includes financial instruments measured using quoted prices.

**Level 2:** The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and

rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

**Level 3:** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

There are no transfers between levels 1 and 2 during the year.

The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels at the end of the reporting period.

(ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of the remaining financial instruments is determined using discounted analysis(if any).

**31 Financial Risk Management**

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

**(A) Credit risk**

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. Credit risk is managed through continuous monitoring of receivables and follow up for overdues.

**(B) Liquidity risk**

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-term, medium-term and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

**(i) Maturities of financial liabilities**

The tables herewith analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for: The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

**Contractual maturities of financial liabilities**

**(C) Market risk****Management Policy**

The company maintains its portfolio in accordance with the framework set by the Risk management Policies.

**32 Risk management**

For the purpose of the company's capital management, equity includes equity share capital and all other equity reserves attributable to the equity holders of the Company. The Company manages its capital to optimise returns to the shareholders and makes adjustments to it in light of changes in economic conditions or its business requirements. The Company's objectives are to safeguard continuity, maintain a strong credit rating and healthy capital ratios in order to support its business and provide adequate return to shareholders through continuing growth and maximise the shareholders value. The Company funds its operation through internal accruals. The management and Board of Directors monitor the return on capital as well as the level of dividends to shareholders.

**33 Other Regulatory Information**
